Subject: report on Slavic Festival

Hi Alanna and Marcia,

Great turnout at the Slavic Cultural Festival - in spite of some pretty bad weather. The bags of handouts with lollipops were a big hit. I used the Q&A tags on the lollipops (great idea) to play a game and interact with the kids. Some of the questions were over their heads, but it was an engaging encounter. There was considerable interest in the Portland Harbor handout translated into Russian (although we have plenty leftover). Some of the adults spoke very little English. I plan to post a short video on Facebook of three kids saying, "clean water" in Russian. I'll mention EPA, Region 10.

Should I hold onto the materials for the event on 8/2?

Thank you.

Subject: FW: upcoming PH community events for EPA and DEQ (Jennifer and Brian please see)

Hello all,

Thank you to Marcia for coordinating. I will be unable to attend on travel July 25 and Aug 2nd .

Jennifer from Marcia's email, I understand that you will be able to attend the following events. Provided below is more information. I plan to drop of some materials that can be provided to attendees at DEQ office tomorrow. One of the handouts is translated into Russian and should be helpful for Saturdays Festival.

· July 25 – (10am – 10pm) Slavic Cultural Festival. The Slavic Immigrant Association (Oregon) invited EPA to attend the Cultural Festival again this year to share translated Portland Harbor information cards (Russian) and children's health materials.
<http://www.slavicfestivalportland.com/> Contact: Galina (Jennifer please see the email that I sent)

* August 2 – Willamette River Revival (12-7pm) (Community Celebration of Portland Harbor), PH CAG, Tribal communities and other sponsors. EPA to provide multilingual Portland Harbor information materials and new children's activity book. To support children's environmental health, materials related to asthma, green cleaning and healthy homes will be provided.

Importance: High

Hi Alanna,

Jennifer Flynt can staff all three weekend events this summer. I will do the leg work for her.

Have you reserved tables at these events that we can share?

I remember that you are not available to work on Aug. 2. Will there be another EPA staff person there and at the other events?

* July 25 – Slavic Cultural Festival. The Slavic Immigrant Association (Oregon) invited EPA to attend the Cultural Festival again this year to share translated Portland Harbor information cards (Russian) and children's health materials.

* August 2 – Willamette River Revival (Community Celebration of Portland Harbor), PH CAG, Tribal communities and other sponsors. EPA to provide multilingual Portland Harbor information materials and new children's activity book. To support children's environmental health, materials related to asthma, green cleaning and healthy homes will be provided.

* August 15 – Seaport Celebration, Community festival sponsored by Port of Portland. EPA to provide multilingual Portland Harbor information materials and new children's activity book. To support children's environmental health, materials related to asthma, green cleaning and healthy homes will be provided. EPA may send staff.

Thanks,

Marcia
